Environmental (Ecological) NGOS Core Funding CLG DIRECTORS' ANNUAL REPORT

for the financial year ended 31 December 2021

The directors present their Directors' Annual Report, combining the Directors' Report and Trustees' Report, and the audited financial statements for the financial year ended 31 December 2021.

The financial statements are prepared in accordance with the Companies Act 2014, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Directors' Report contains the information required to be provided in the Directors' Annual Report under the Statement of Recommended Practice (SORP) guidelines. The directors of the company are also charity trustees for the purpose of charity law and under the company's constitution are known as members of the board of trustees.

In this report the directors of Environmental (Ecological) NGOS Core Funding CLG present a summary of its purpose, governance, activities, achievements and finances for the financial year 2021.

The company's report and results are presented in a form which complies with the requirements of the Companies Act 2014 and, although not obliged to comply with the Statement of Recommended Practice applicable in the UK and Republic of Ireland FRS 102, the organisation has implemented its recommendations where relevant in these financial statements.

The company is limited by guarantee not having a share capital.

Composition of the Board and Board Appointment Process

There were 15 members of the Board during 2021 drawn from a board range of backgrounds.

Committees of the Board

The Following three sub-committees are appointed by the Board.

- Special membership sub-committee
- Governance sub-committee
- Finance sub-committee

Financial Review

The results for the financial year are set out on page 11 and additional notes are provided showing income and expenditure in greater detail.

Financial Results

At the end of the financial year the company has assets of €1,523,712 (2020 - €795,901) and liabilities of €17,619 (2020 - €389,748). The net assets of the company have increased by €1,099,940.

Principal Risks and Uncertainties

The principal risk and uncertainty affecting Environmental (Ecological) NGOS Core Funding CLG is the possibility of a reduction in government grants which the company receives and the effects this may have on the ongoing operations of the organisation. The directors have instituted measures to ensure, if necessary, in so far as is possible, that costs are reduced in line with future funding streams.

Future Developments

The company plans to continue its present activities and current trading levels.

Environmental (Ecological) NGOS Core Funding CLG DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 31 December 2021

The directors are responsible for preparing the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the net income or expenditure of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice: Accounting and Reporting by Charities;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the relevant financial reporting framework, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors confirm that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and net income or expenditure of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and the Directors' Annual Report comply with Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- there is no relevant audit information (information needed by the company's auditor in connection with preparing the auditor's report) of which the company's auditor is unaware, and
- the directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

INDEPENDENT AUDITOR'S REPORT

to the Members of Environmental (Ecological) NGOS Core Funding CLG

Report on the audit of the financial statements

Opinion

We have audited the company financial statements of Environmental (Ecological) NGOS Core Funding CLG for the financial year ended 31 December 2021 which comprise the Statement of Financial Activities (incorporating an Income and Expenditure Account), the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2021 and of its surplus for the financial year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", as applied in accordance with the provisions of the Companies Act 2014 and having regard to the Charities SORP; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 3 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

INDEPENDENT AUDITOR'S REPORT

to the Members of Environmental (Ecological) NGOS Core Funding CLG

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Annual Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not complied with by the company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page 6, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT

to the Members of Environmental (Ecological) NGOS Core Funding CLG

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Environmental (Ecological) NGOS Core Funding CLG

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2021

1. GENERAL INFORMATION

Environmental (Ecological) NGOS Core Funding CLG is a company limited by guarantee incorporated in the Republic of Ireland. The registered office of the company is Macro Centre, 1 Green Street, Dublin 7 which is also the principal place of business of the company. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

Statement of compliance

The financial statements of the company for the financial year ended 31 December 2021 have been prepared on the going concern basis and in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102".

Fund accounting

The following are the categories of funds maintained:

Restricted funds

Restricted funds represent income received which can only be used for particular purposes, as specified by the donors. Such purposes are within the overall objectives of the company.

Unrestricted funds

Unrestricted funds consist of General and Designated funds.

- General funds represent amounts which are expendable at the discretion of the board, in furtherance of the objectives of the company.

- Designated funds comprise unrestricted funds that the board has, at its discretion, set aside for particular purposes. These designations have an administrative purpose only, and do not legally restrict the board's discretion to apply the fund.

Income

Income is recognised by inclusion in the Statement of Financial Activities only when the company is legally entitled to the income, performance conditions attached to the item(s) of income have been met, the amounts involved can be measured with sufficient reliability and it is probable that the income will be received by the company.

Income from charitable activities

Income represents grants received from the Department of the Environment, Climate and Communications and other government departments. Income represents the total of donations and fundraising proceeds in the year and funded programme income and grant income released to the income and expenditure account during the year.

Expenditure

Expenditure is analysed between costs of charitable activities and raising funds. The costs of each activity are separately accumulated and disclosed, and analysed according to their major components. Expenditure is recognised when a legal or constructive obligation exists as a result of a past event, a transfer of economic benefits is required in settlement and the amount of the obligation can be reliably measured. Support costs are those functions that assist the work of the company but cannot be attributed to one activity. Such costs are allocated to activities in proportion to staff time spent or other suitable measure for each activity.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Fixtures, fittings and equipment	-	Fully Depreciated
Office equipment	-	33% Straight line

Environmental (Ecological) NGOS Core Funding CLG

NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2021

Debtors

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the company from government agencies and other co-funders, but not yet received at financial year end, is included in debtors.

Cash at bank and in hand

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months notice of withdrawal.

Taxation and deferred taxation

Environmental (Ecological) NGOS Core Funding CLG is not a registered charity with the Charities Regulator and therefore surplus income in respect of certain activities may, in certain circumstances, be liable to tax. In accordance with the Constitution of Environmental (Ecological) NGOS Core Funding CLG the organisation is not permitted to commit expenditure of funds in excess of pledged grants and in this regard the directors do not expect that this activity will give rise to a tax charge.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax in the future, or a right to pay less tax in the future. Timing differences are temporary differences between the company's taxable income and its results as stated in the financial statements.

Deferred tax is measured on an undiscounted basis at the tax rates that are anticipated to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

3. PROVISIONS AVAILABLE FOR AUDITS OF SMALL ENTITIES
